Notable features:

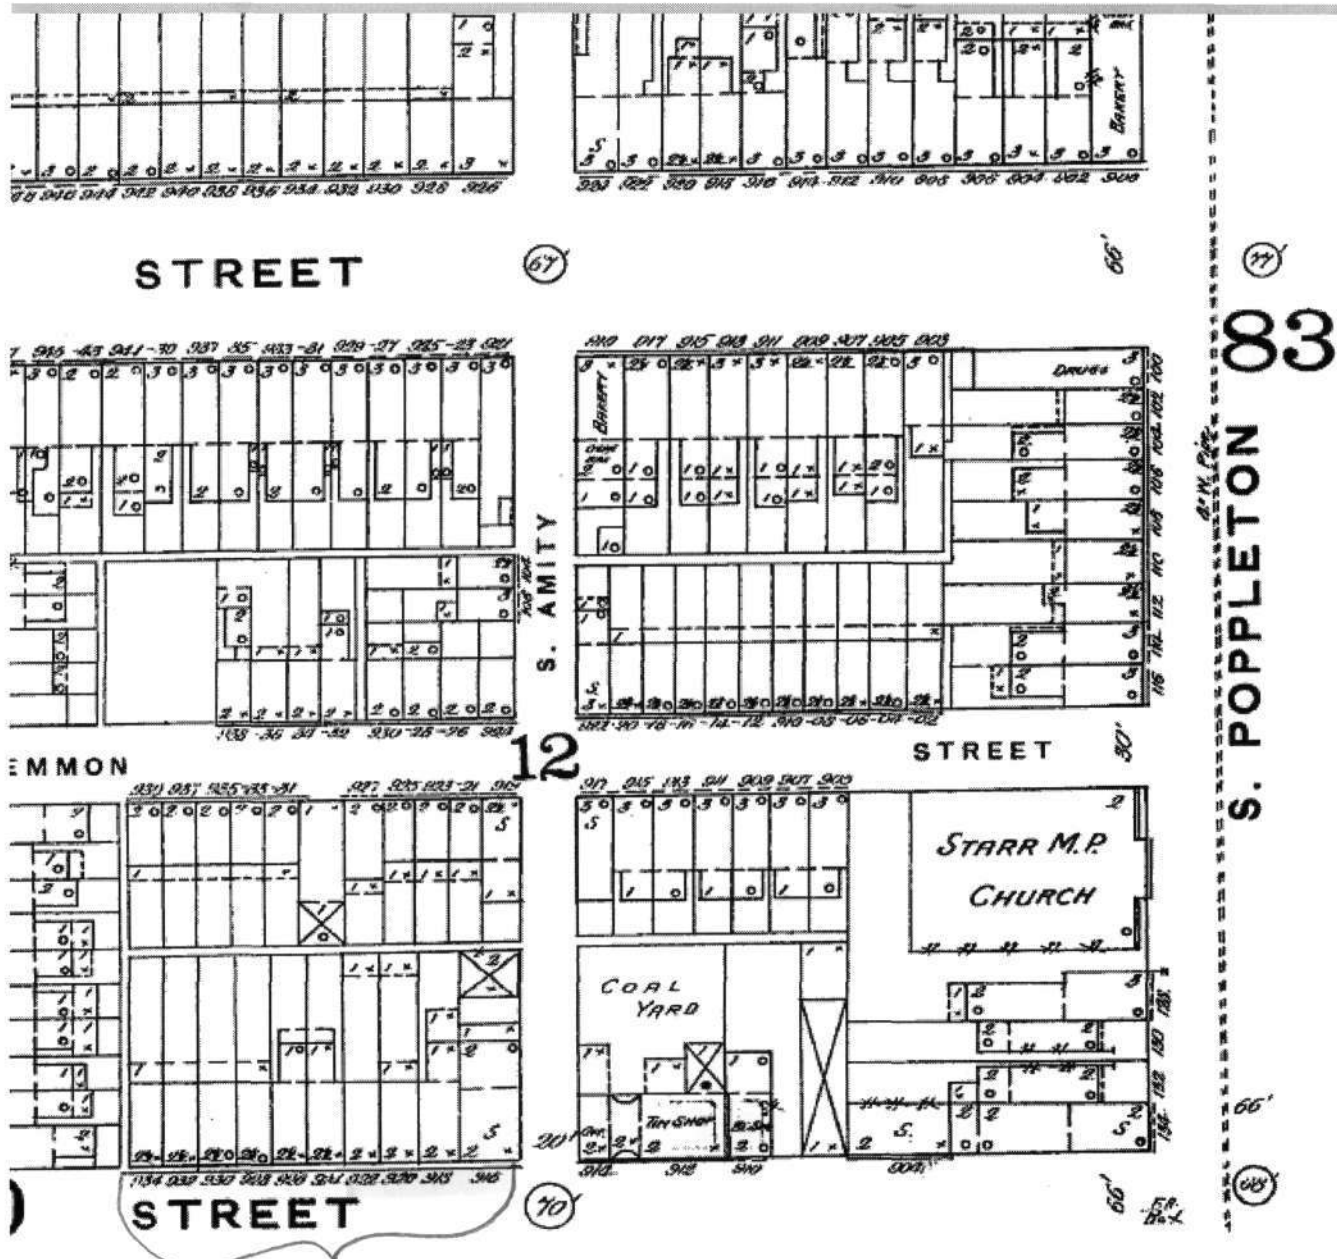

A group of 2½ story gabled roofs, filigree work at window heads. The houses are set high above the street, have cellars. The 1868 Sachse view shows this area as open land. Numbers 930-932 have been formstoned.

Environmental context:

Lots (41-44) at 916-922 have been cleared. Noisy, busy street with B. & O. yards opposite. The open lots, the skylight industry, the busy street leave the value of these dwellings in an equivocal position -- could go or stay.
